These dishes are made from ingredients that do not contain any animal products. 🍷 - dishes that are made from ingredients which do not contain gluten. Some dishes, whilst not containing any gluten in their ingredients are cooked in our fryers - whilst our fryers are cleaned and filled with fresh oil regularly, they have also been used to cook wheat products during a service, and the following dishes should be avoided if this level of cross contamination will affect you. We do not have dedicated preparation or cooking areas in our kitchens for vegetarian, vegan food or gluten-free food. Not all ingredients are shown in the dish descriptions. 🥜 - Contains nuts or seeds. All dishes on this menu are subject to ingredient availability. We follow good hygiene practices in our kitchens, but due to the presence of allergenic ingredients in some products there is a small possibility that allergen traces may be found in any item. We advise you to speak to a member of staff if you have any food allergies or intolerances. Our fish is a natural product & may contain small bones. We are happy to provide you with allergen guidelines for all our menu items. As our food is prepared & freshly cooked to order in our busy kitchens, there may be a risk that traces of allergens & gluten can be found in any dish.
